

All pump/motor adapters are NOT alike.

Reuland

To determine the pump/motor adapter that is right for you, figure out 1, 2 & 3 (directions below) then match your figures with the identical figures on the pump/motor adapter description table.

DIRECTIONS

1. Determine pump mounting flange type _____
2. Determine motor frame type _____
3. (a) Determine pump shaft length including pilot _____
 (b) Add motor shaft length + _____
 (c) Add spider dimension from Reuland Chart on page 49 or 1/16" if using a coupling with a thru hole + _____
 (D) Now, add a, b, c (above) together. Your pump/motor adapter bracket must have a face to face length equal to or greater than the total _____

GENERAL INFORMATION

Reuland offers you the most precise, long-lasting, trouble-free aluminum pump/motor adapters in the industry—at a very competitive price.

Whether you want standard off-the-shelf adapters or custom designs, horizontal or vertical mounts, Reuland adapters are acknowledged as the best you can buy.
